

Farewell

Rosie Thomas

Farewell so long cause
I was wrong I guess
Farewell so long cause
I was wrong I confess

I miss the way you
I miss the way you dance with me
I miss the way you
I miss the way you dance with me

So farewell my love
Cause I was wrong I guess
Farewell so long
'Cause I was wrong I confess

I miss the way you
I miss the way you sing with me
I miss the way you
I miss the way you sing with me

I never asked you for
A sailboat in the yard
Or that fancy dress to wear
Or a ceiling made of stars
And all I got was just this
Broken heart from you

I'm done
