

Have You Seen My Love

Rosie Thomas

Have you seen my love?
Is he far away?
Have you seen the one for me?
His face lights up my day

I won't let one boy steal a kiss or call me his
Instead I'll wait for his voice to call out to mine and carry t
hese daydreams away

Have you seen my love?
Is he far away?
Have you seen the one for me?
I won't let him get him get away

Please tell him that I'm waiting for him
Praying for him
Night and day
For now I'll be a lonely girl longing for his sweet embrace

Please tell him that I'm waiting for him
Praying for him
Night and day
For now I'll be a lonely girl just long for his sweet embrace
