

Let It Be Me

Rosie Thomas

I'm blessed the day I found you
I want to stay around you
And so I beg you
Let it be me

Don't take this heaven from one
If you must cling to someone
Now and forever
Let it be me

Cause each time we meet, love
I find complete love
Without your sweet love
What would life be?

So never leave me lonely
Tell you love me only
Now and forever
Let it be me

Each time we meet, love
I find complete love
Without your sweet love
What would life be?

So never leave me lonely
Tell you love me only
And that you'll always
Let it be me

So never leave me lonely
Tell you love me only
And that you'll always
Let it be me
Let it be me
Let it be me
