

One More Day

Rosie Thomas

One more day
Just one more day then I'm done
One more car ride and
One more rising of the sun

Then I'll jump so high
Angels will catch my fall
I'll jump so high
Angels will catch my fall

I had my chance and I just showed it to the door
I won't apologize to myself anymore

So I'll jump so high
Angels will catch my fall
I'll jump so high
Angels will catch my fall

One more day
Just one more day then I'm done
No more failures and
No more feeling alone
