

# Since You've Been Around

Rosie Thomas

I'm wandering  
I'm crawling  
I'm two steps away from falling  
I just can't seem to get around  
I'm heavy  
I'm weary  
I'm not thinking clearly  
I just can't seem to find solid ground  
Since you've been around

I'm running  
I'm hiding  
I'm afraid you'll never find me  
because I've always felt lost in the crowd  
I'm sinking  
I'm drowning  
I'm so afraid of losing  
my head's been spinning round and round  
since you've been around.

I'm foolish and crazy  
I just think that maybe  
I've got a lot of things to figure out  
I'm winning  
I'm losing  
I'm afraid of never choosing  
this heart of mine was so beaten down  
before you came around
