

Songbird

Rosie Thomas

For you they'll be no more crying
For you the sun will be shining
Cause I feel that when I'm with you
So right
I know it's right

To you I would give the world
To you I'll never be cold
Cause I feel that when I'm with you
So right
I know it's right

And the songbirds are singing like they know this chorus
And I love you, I love you, I love you
Like never before

And I wish you all the love in the world
But most of all I wish it for myself
And the songbirds are singing like they know this chorus
And I love you, I love you, I love you
Like never before
Like never before
Like never before
Like never before
