

# Why Waste More Time

Rosie Thomas

Why waste your time? There is nothing left  
Voices in your head tell you to do it  
No one will care, no one will know  
Everyone just looks out for themselves

It's so hard letting go, letting go of love  
It might cause some pain, I know  
But pain is all we've got

Why waste more time? Time is all you have  
Careful what you say they'll hold you to it  
No one will care, no one will know  
Everyone feels sorry for themselves

And it's so hard letting go, letting go of love  
And it might cause some pain, I know  
But pain is all you've got  
And it may be the only way to know  
That you can get yourself back up
