

# As I Choke

Ross Copperman

I knew it all along  
What a shame to leave me all alone  
Cus I tried to make you love  
Yeah  
I tried to make you love me

But you, you crush me like a stone  
Oh  
And you, you watch me as I choke  
Yeah, as I choke

I know just where you've been  
I can smell him on your skin  
Oh  
Does he treat you like he should  
Yeah  
Does he love you like I could  
Oh

But you, you crush me like a stone  
Oh  
And you, you watch me as I choke  
Yeah, yeah oh as I choke

Got down upon my knees  
But I am not the enemy  
You got me down upon my knees  
But I am not the enemy  
Got me down upon my knees  
But I am not the enemy  
You got me down upon my knees  
But I am not the enemy

Cus you, you crush me like a stone  
Oh  
And you, you watch me as I choke  
Oh  
But you, you you crush me like a stone  
Yeah  
And you, you watch me as I choke

Yeah, Yeah, yeah as I choke

I choke, and as I choke, and as I choke, and as I choke, and as  
I choke, and as I choke, and as I choke, and as I choke, and a  
s I choke, and as I choke, and as I choke, and as I choke
