

# Can't Stop Loving You

Ross Copperman

Well isn't that just like you  
You turn the grey to gold  
Oh how I come unravelled  
But you don't even know  
The way you move me

So when I start thinking about forever  
That's when I start thinking about you yeah  
Coz I can't picture one day of my life without you woah  
You know it's true yeah  
Coz I can't stop loving you

You know this world could break us  
And rip us at the seams  
So if we lose I'll wait here  
Could you still find me?  
Coz you're all I need

So when I start thinking about forever  
That's when I start thinking about you yeah  
Coz I can't picture one day of my life without you woah  
You know it's true  
Coz I can't stop loving you

So when I start thinking about forever  
That's when I start thinking about you yeah  
Coz I can't picture one day of my life without you woah

And when I start thinking about forever  
That's when I start thinking about you  
Coz I can't picture one day of my life without you  
You know it's true  
Coz I can't stop loving you  
I can't stop loving you  
I can't stop loving you
