

## Got It 2

Ross Lynch

Yo!

Through the door  
Here's the score  
Never seen her here before  
Run her fingers through her hair  
And I just can't help but stare  
Behind those shades  
Hard to see  
Tell me what's it gonna be  
Set myself up  
Count to three  
Hey now what's come over me

Whatever it is I got it  
Don't know what to call it  
There's no way to hide it  
Do you got it 2  
Whatever it is I got it  
Don't know what to call it  
There's no way around it  
Do you got it 2

Woah-oh-oh  
Yeah you got it 2  
Woah-oh-oh  
Girl you got it 2  
Woah-oh-oh  
Yeah you got it 2  
Woah-oh-oh  
Girl you got it 2

Where's the game  
What's that voice  
Like I even have a choice  
Did I really shake your hand?  
Did you know I'm in a band  
How do you study for this test?  
Still not sure if you're impressed  
Then you smile a certain way  
Kinda like you wanna say  
This is crazy!

Whatever it is I got it  
Don't know what to call it  
There's no way to hide it  
Yeah I got it 2  
Whatever it is I got it  
Don't know what to call it  
There's no way around it  
Yeah I got it 2

Woah-oh-oh  
Yeah you got it 2  
Woah-oh-oh  
Girl you got it 2  
Woah-oh-oh

Yeah you got it 2  
Woah-oh-oh  
Girl you got it 2

More than some of it  
We got all of it  
Let's get crazy  
Wild like we're callin' it  
Drop the beat  
So hot you need sunscreen  
Spin like a remix  
Sign like a done deal  
Not just anything  
We got everything  
Swag is king  
So fight for the title ring  
No time to quit 'cause it feels like a hit  
Oh Oh Oh Yeah!

Whatever it is I got it  
Don't know what to call it  
There's no way to hide it  
Yeah I got it 2  
Whatever it is I got it  
Don't know what to call it  
There's no way around it  
Yeah I got it 2

Woah-oh-oh  
Yeah you got it 2  
Woah-oh-oh  
Girl you got it 2  
Woah-oh-oh  
Yeah you got it 2  
Woah-oh-oh  
Girl you got it 2  
Woah-oh-oh  
Yeah you got it 2  
Woah-oh-oh  
Girl you got it 2  
Woah-oh-oh  
Girl you got it 2  
Woah-oh-oh
