

Gotta be me

Ross Lynch

Yeah!
Come on!

You and me are meant to be like a brand new board and the awesomest wave.
Thing is honey, I'm your need for every chillin' in tryin' to catch some waves.
Without you I'll sing the blues, instead o' rock rock rock rock rock and roll.
So I'm hopin' you'll miss me too and you're down to do whatever since I broke the mold.

March to the beat.
I march to the beat gonna do my thang.
March to the beat.
I march to the beat gonna do my thang.
C'mon and feel this beat cause I gotta be me.
You let 'em move those feet and they'll set you free,
C'mon you need to see that I gotta be me.
I gotta be, gotta be, gotta gotta be me.
C'mon and feel this beat cause I gotta be me!
You let 'em move those feet and they'll set you free.
C'mon you need to see that I gotta be me, I gotta be, gotta be, gotta gotta be me!

Like you I'm original, tryin' to move this world from where it's at.
You're laid back and I get stressed.
Yeah whenever we're together, we're more than that.
My motto's seize the day and night, and yours is let's go with the flow.
That's no reason to say goodbye, now if you're fast enough for a girl on the go!

March to the beat.
I march to the beat gonna do my thang.
March to the beat.
I march to the beat gonna do my thang.
C'mon and feel this beat cause I gotta be me.
You let 'em move those feet and they'll set you free.
C'mon you need to see that I gotta be me.
I gotta be, gotta be, gotta be me!
C'mon and feel this beat cause I gotta be me!
You let 'em move those feet and they'll set you free.
C'mon you need to see that I gotta be me.
I gotta be, gotta be, gotta gotta be me!

March to the beat.
I march to the beat gotta do my thang.
March to the beat.
I march to the beat gotta do my thang.
C'mon and feel this beat cause I gotta be me.
You let 'em move those feet and they'll set you free.
C'mon you need to see that I gotta be me.
I gotta be, gotta be... gotta be me!
C'mon and feel this beat cause I gotta be me.
You let 'em move those feet and they'll set you free.
C'mon you need to see that I gotta be me.
I gotta be, gotta be, gotta gotta be me!

(ba da da dum dum de de bang bang)
I gotta be, gotta be, gotta gotta be me!
(ba da da dum dum de de bang bang)
I gotta be, gotta be, gotta gotta be me!
(ba da da dum dum de de bang bang)
I gotta be, gotta be, gotta gotta be me!
(ba da da dum dum de de bang bang)

Oh!

I gotta be, gotta be, gotta gotta be me!

I gotta be, gotta be, gotta gotta be me!
