

I Love Christmas

Ross Lynch

Whats your favorite time of year, can you tell me?
The one that never gets here fast enough

Is it fall or spring?
A summerthing?
Winter is my favorite time, because

Billion lights are blinkin'
Jingle bells are ringin'
Everybody's singing
I Love Christmas

Santas almost flyin'
Lots of ribbon tyin'
Presents multiplyin'
I Love Christmas

Oh whoa
Oh whoa
Oh whoa
I Love Christmas

You better watch out
For that mistletoe
They're hangin'

And you might have to
Pucker up and kiss, someone

Friends you know are gonna pray for snow
A winter wonderland is a lot more fun

A lot more fu-u-un

Billion lights are blinkin'
Jingle bells are ringin'
Everybody's singing
I Love Christmas

Santas almost flyin'
Lots of ribbon tyin'
Presents multiplyin'
I Love Christmas

Oh whoa
Oh whoa
Oh whoa
I Love Christmas

Seems like you got to wait forever
To seasons change then here it comes

It's magic when it brings us all together
This doesn't last long enough
Long enough
Yeah

I Love Christmas
I Love Christmas

Billion lights are blinkin'
Jingle bells are ringin'
Everybody's singing
I Love Christmas

Santas almost flyin'
Lots of ribbon tyin'
Presents multiplyin'
I Love Christmas

Oh whoa
Oh whoa
Oh whoa
I Love Christmas

Oh whoa
Oh whoa
Oh whoa
I Love Christmas

Oh whoa
Oh whoa
Oh whoa
I Love Christmas
