

Na Na Na (The Summer Song)

Ross Lynch

Summer love hanging in the air
Hot sand on my feet but I don't care
It's all I ever wanted
I hope it never ends

So good to get away
All day in the car but that's okay
'Cause I like like like it like that
Just chillin' with my friends

'Cause I (I), know (know)
A summer time vacation song
And you (you), know (know)
Wherever we go you'll be singing along
Like na, na na
Na, na, na
Na, na, na
Na, na, na

Road tripping with my friends
And wherever we go this song never ends and
Turn up the radio
Drop the top and drive
Not gonna get a minute to sleep
I'll be under the boardwalk moving my feet, yeah
So come along with me
Let's have a crazy time

'Cause I (I), know (know)
A summer time vacation song
And you (you), know (know)
Wherever we go you'll be singing along
Like na, na na
Na, na, na
Na, na, na
Na, na, na

It's such a crazy journey
But I'm not in any hurry
I'm taking my ti-i-i-i-me
It's all I ever wanted
To not know where we're going
Enjoying the ride
Yeah, yeah

'Cause I (I), know (know)
A summer time vacation song
And you (you), know (know)
Wherever we go you'll be singing along
Like na, na na
Na, na, na
Na, na, na
Na, na, na
