

# Na Na Na (The Summer Song)

Ross Lynch

Summer love hanging in the air  
Hot sand on my feet but I don't care  
It's all I ever wanted  
I hope it never ends

So good to get away  
All day in the car but that's okay  
'Cause I like like like it like that  
Just chillin' with my friends

'Cause I (I), know (know)  
A summer time vacation song  
And you (you), know (know)  
Wherever we go you'll be singing along  
Like na, na na  
Na, na, na  
Na, na, na  
Na, na, na

Road tripping with my friends  
And wherever we go this song never ends and  
Turn up the radio  
Drop the top and drive  
Not gonna get a minute to sleep  
I'll be under the boardwalk moving my feet, yeah  
So come along with me  
Let's have a crazy time

'Cause I (I), know (know)  
A summer time vacation song  
And you (you), know (know)  
Wherever we go you'll be singing along  
Like na, na na  
Na, na, na  
Na, na, na  
Na, na, na

It's such a crazy journey  
But I'm not in any hurry  
I'm taking my ti-i-i-i-ime  
It's all I ever wanted  
To not know where we're going  
Enjoying the ride  
Yeah, yeah

'Cause I (I), know (know)  
A summer time vacation song  
And you (you), know (know)  
Wherever we go you'll be singing along  
Like na, na na  
Na, na, na  
Na, na, na  
Na, na, na
