

On My Own

Ross Lynch

It almost feels like it was just a dream
All these memories of you and me
Blown away in the summer breeze
It almost feels like we just never were
All the time we spent was just a blur
Now it's just me and a melody

So what am I
Supposed to do
'Cause all these plans we made in the sand are through

Without you
I'm on my own
Am I gonna be alone?
And if it's only me, myself and I
Will I be fine?
So far from home
And I just don't know
Am I gonna make it?
Brave enough to take this road
Out on my own

Looking in the mirror, it's hard to see
All these choices that I've gone between
Who I should and who I wanna be
I wanna send and take this wave
And ride into a brighter day
I'll take a chance and bet on me

I think that I
Know what to do
I got all these plans
I'm a one-man band
It's true

Now, I can't lose
Out on my own
Never gonna be alone
As long as I got me, myself and I
I'm doin' fine
So far from home
I just don't know
Am I gonna make it?
Brave enough to take this road?
Out on my own

Oh, ohh
Out on my own
Oh, ohh
Out on my own

And maybe I'm fallin' on my face
Or maybe I'm landin' in my place
And maybe we're a million miles apart
Or maybe we're standin' heart to heart
But no matter what, I'm walkin' right off this stage
And never lookin' back, lookin' back, to yesterday

No way
No way

I'm on my own!
Yeah! Yeah, yeah

I'm on my own
Never gonna be alone
As long as I got me, myself and I
I'm doin' fine
So far from home
But now I know that I am gonna make it
Brave enough to take this road
Out on my own

Oh, ohh
Out on my own
Oh, ohh
Out on my own

It almost feels like it was just a dream
All these memories of you and me
