

# Superhero

Ross Lynch

Sometimes love's a scary place  
It's like standing in the dark  
Flying through the universe  
Tryin' to fix your broken heart

It's okay to let it go  
You don't have to be so brave  
Take a chance if someone else  
Is gonna sweep in and save the day

You don't have to  
Face your fears alone  
'Cause whenever you're in trouble  
I'll know

Let me be your superhero  
There isn't a place I won't go  
Whenever you need me by your side  
I'll be there (be there)

Never be afraid if you fall  
I'll carry you away from it all  
Let me be your superhero  
Let me be your superhero

Take off your mask, put down your guard  
You don't need a symbol on your chest  
It's alright for once to be  
The damsel in distress

You're gonna use up all your strength  
Trying' to be so strong  
Don't have to shoulder all the weight  
Together we can take it all

You don't have to  
Face your fears alone  
'Cause whenever you're in trouble  
I'll know

Let me be your superhero  
There isn't a place I won't go  
Whenever you need me by your side  
I'll be there (be there)

Never be afraid if you fall  
I'll carry you away from it all  
Let me be your superhero  
Let me be your superhero

Whoa, whoa, oohhhh  
Whoa, Whoa, ohhhhh  
Let me be your superhero  
Whoa, whoa, oohhhh  
Yeah yeah

Whoa, whoa, ohhhhhh

Sometimes love's a scary place  
It's like standing in the dark  
Flying through the universe  
Tryin' to fix your broken heart

Yeah

Let me be your superhero  
There isn't a place I won't go  
Whenever you need me by your side  
I'll be there (be there)

Never be afraid if you fall  
I'll carry you away from it all (I'll pick you up baby)  
Let me be your superhero  
Let me be your superhero

Whoa, whoa, ohhhh

Yeah, I can be your superhero  
You know I will, baby  
(Whoa whoa ohhh)  
Let me be your superhero
