

# Without You

Ross Lynch

When the crowd wants more  
I bring on the thunder  
Cause you got my back  
And I'm not going under

You're my point you're my guard  
You're the perfect chord  
And I see our names together  
On every billboard

We're headed for the top  
We've got it on lock  
We'll make 'em say hey  
And there's no stoppin

Us when we hit  
The same but different  
We're never gonna' quit  
And we'll keep rockin'  
Oh

There's no way  
I can make it without you  
Do it without you  
Be here without you

It's no fun  
When you're doing it solo  
With you I'ts like whoa  
Yeah and I know

Cause III own this dream  
Cause III've got you with me  
There's no way I can make it without you  
Do it without you  
Be here without you
