

Without You

Ross Lynch

When the crowd wants more
I bring on the thunder
Cause you got my back
And I'm not going under

You're my point you're my guard
You're the perfect chord
And I see our names together
On every billboard

We're headed for the top
We've got it on lock
We'll make 'em say hey
And there's no stoppin

Us when we hit
The same but different
We're never gonna' quit
And we'll keep rockin'
Oh

There's no way
I can make it without you
Do it without you
Be here without you

It's no fun
When you're doing it solo
With you I'ts like whoa
Yeah and I know

Cause III own this dream
Cause III've got you with me
There's no way I can make it without you
Do it without you
Be here without you
