

# Hush

Rotersand

'Til the end of time  
I'm walking close to you  
Nothing to regret  
Nothing I can do

One day  
I hope one day  
We'll find each others hands

Uh, hush  
I heard an angel sigh  
Uh, hush  
I heard an angel sigh

Looking down on you  
I see your every move  
Everything is bliss  
Everything is truth

One day  
I hope one day  
We'll hold each others hands

Uh, hush  
I heard an angel sigh  
Uh, hush  
I heard an angel sigh  
Uh, hush  
I heard an angel sigh
