Rotten Sound

The raped son of god I was  
The bastard son, named as j. christ  
Remembered as a pitiful lord  
Who enslaved all people in the name of god

In the name of god  
I am your saviour

The raped son of god I was  
Sent out to spread true lies  
Born by the sterile mother  
The inbreed and the 12 brothers

In the name of god  
I am your saviour

Hallelujah!
