## **Bastard Behaviour**

## **Rotten Sound**

The raped son of god I was The bastard son, named as j. christ Remembered as a pitiful lord Who enslaved all people in the name of god

In the name of god I am your saviour Follower of Christian bastard behaviour

The raped son of god I was Sent out to spread true lies Born by the sterile mother The inbreed and the 12 brothers

In the name of god I am your saviour Follower of Christian bastard behaviour

Hallelujah!

In the name of god I am your saviour Follower of Christian bastard behaviour
