

Greed

Rotten Sound

Low humanity, earning more property
No efforts to help the poverty

Greed takes over and kills all of thee
Going lower in morality

Masses will suffer, starve and suffocate
Oppress the poor, the wealthy don't care

Greed takes over and kills all of thee
Going lower in morality

Starving citizens earning taxes for the entitled

Low humanity, earning more property
No efforts to help the poverty

Greed takes over and kills all of thee
Going lower in morality

Masses will suffer, starve and suffocate
Oppress the poor, the wealthy don't care
