

Are you a stupid f**k?
Did you join the Jesus Christ fan club?
Throw some money in the box
And even your own socks
If you do things like that
Your life really sucks

Jesus Christ is a flop
Like some centuries of joke
When are you gonna choke?
Where is you Jesus dope?

Jesus Christ, drink my piss
Jesus Christ sucks like shit
Jesus Christ, taste some whip
I won't give your any tip

Jesus Christ is a flop
Like some centuries of joke
When are you gonna choke?
Where is you Jesus dope?

There is no heavenly place
There is no hellish phase
You got to go some feet under
And you're gonna rot inside the ground

Jesus Christ is a flop
Like some centuries of joke
When are you gonna choke?
Where is you Jesus dope?

Jesus Christ, drink my piss
Jesus Christ sucks like shit
Jesus Christ, taste some whip
I won't give your any tip
