

## Plan

## Rotten Sound

Planning the retribution  
Inventing the sweet revenge  
Creation of belief  
To the human right to avenge

Berserk soldiers follow  
Their instincts so hollow  
Based on the guidance  
Of insane master plans

The bliss of planning  
The key of madness

Mass-delusion  
Of executing parties  
Leading the fallacy  
Of bloody victory

Berserk Soldiers Follow  
Their Instincts so hollow  
Based on the guidance  
Of insane master plans  
Berserk Soldiers Follow  
Their Instincts so hollow  
Based on the guidance  
Of insane master plans

The bliss of planning  
The key of madness  
The bliss of planning  
The key of madness

No matter how doomed they are  
They shall kill 'til their own death
