

Superior

Rotten Sound

I shall become,
I will be
The main event
Of the human race

My ways of evolving are superior
To any other being alive

And when I die
Everyone shall mourn
Everyone shall hope
That I will come back to life

My ways to evolve
Are superior
To any other
Being Alive

And when I die
Everyone shall mourn
Everyone shall hope
That I will come back to life

They want to be
They want to become me
To be
To become me
To recreate superiority
To be
To become me
To recreate super-humanity
