Makaríoi este oi tolmiroi  
Makaríoi este oi amartoloi  
Makaríoi este oi diaforetikoi  
Eo sou dokei  
Makaríoi este oi kataramenoi  
Makaríoi este oi kynigoi

Athanatoi este oi dynatoi  
Athanatoi este oi ermitikoi  
Athanatoi este oi tragikoi  
Eo sou dokei  
Athanatoi este oi romaloi  
Athanatoi este oi tolmiroi  
Odoiporoi ton aisthiseon pragmatikoi

And when the bells of fate sound  
Digging your soul deep into the ground  
Setting your sense to the bound  
Spreading your eminence all around  
And when the bells of fate sound  
You walk in pathless ways till the dawn  
Screaming for salvation so loud  
Spreading your indulgence all around

And when the bells of fate sound  
Then you immortals stand up and shout  
Then you blessed martyrs doubt  
Here comes a new age's blow

Slaves of fate instigate  
And feel your sword's blazing edge  
Your section to the enemy  
Wound for the sleepy age  
Slaves of fate instigate  
And feel your sword's blazing edge  
Your section to the enemy  
Wound for the sleepy age
