

## **Fgmenth, Thy Gift**

**Rotting Christ**

Seremoth, Levino, Alchemoth  
In lust time come forth  
Arise from the chaos nights  
Thy majesty devour the son

Thy gift deserves you  
The offer of Absu  
Fgmenth beloved successor  
See all dreams come true  
Deliver us to him  
Obey in the power create me  
Inside my eyes your sight

Inside my mind your voice  
A silent word attack me  
It's called Razal Tach  
The one connect our lifes
