

Gilgameš

Rotting Christ

Anu - Mommu - Apsu - Tiamut
In the land where no sun rises up
I assault with no thoughts to turn back
I will battle till the dawn faint the sun
Death, my friend I will not be outdone

Anu - Mommu - Apsu - Tiamut
I swear in the name of Ishtar
I summon you in the realm of Nergal
I will fight till all dead will stand up
I am Gilgamesh the demigod

I am Gilgamesh the demigod
The unbowed the strong of this world
I have built for you the walls of Uruk
Gilgamesh semigod glorious son of God

I am Gilgamesh the son of God
I am feeding my soul with your blood
I will fight till the dusk of dawn
Gilgamesh semigod glorious son of God
