

## A Matter Of Size

Rough Silk

From the cradle to the grave  
from the ego to the ghost  
from the master to the slave  
the bigger - the better - the most

so all you secret heroes  
there's a reason for cries:  
from lonely 1's to 0's  
it's just a matter of size

from the short guy with a dog  
from the river to the sea  
from his thinkin' with the cock  
to a braindeath - remedy

so all you secret heroes.....

it's just a matter of size
