

# Candle In The Rain

Rough Silk

Now that you're gone  
i'm trying not to cry  
and I'm asking my walls  
why our love had to die  
wise people say time  
will heal every wound - someday

well, I tried to be a good guy  
tried harder day by day  
but on this bed of roses  
the fire - the wire didn't stay

like a candle out in the rain  
on the wings of a prayer we've been hiding our pain  
our fading love - we tried to save but in vain  
like a candle in the rain

maybe we should have tried  
a little bit more  
and maybe we had a dream  
worth fighting for  
but it's been taken away  
the winds of change blew so fast  
and passion didn't last

well, I tried to be a good guy  
tried harder day by day  
but on this bed of roses  
the fire - the wire didn't stay

like a candle out in the rain  
on the wings of a prayer we've been hiding our pain  
our fading love - we tried to save but in vain  
like a candle in the rain

when at night the winds blew cold  
we used to lie awake and hold  
each other tight but these days are gone forever  
forever now

like a candle out in the rain  
on the wings of a prayer we've been hiding our pain  
our fading love - we tried to save but in vain  
like a candle in the rain
