

## Face To Faith

Rough Silk

There were times when I lived in darkness  
Mother said: "Don't believe in life  
It's just a game of shame you'll never win.  
First you think you're the one and only  
Then you'll end up lost and lonely  
Just like all this guilty dogs of sin."

But if I'd swear - déjà vu'  
I'd never be as blind as you  
If I'd do as I say  
Would you take my pain away?

Down the endless road to nowhere  
Frozen winds blow cold and trust is  
Burning dust and too much ain't enough  
All the tears I've cried in vain now  
All the fears and words remain  
How could there be a hell without light  
Above?

But if I'd swear - déjà vu'....

Faith - face to faith - faith - face to faith

Days of fire and days of passion  
Days we've lost and conquered fashion  
Days of blood and days to raise your voice.  
Mother, now you're grey and old and  
Still you live in your house of gold - you  
Praise the glamour - born without choice?

But if I'd swear....

Faith - face to faith....

Life is more than you did say  
You've thrown your gift away  
You're just a waste of grace

I don't believe your....
