

# Almost Unreal

Roxette

Babe, come in from the cold and put that coat to rest.  
Step inside, take a deep breath and do what you do best.  
Yeah, kick off them shoes and leave those city streets.  
I do believe, love came our way, and fate did arrange for us to  
meet  
I love when you do that hocus pocus to me  
The way that you touch, you got the power to heal  
You give me that look, it's almost unreal... it's almost unreal

Hey, we can't stop the rain. Let's find a place by the fire.  
Sometimes I feel, strange as it seems, you've been in my dreams  
all my life

I love when you do that hocus pocus to me  
The way that you touch, you got the power to heal  
You give me that look, it's almost unreal...it's almost unreal.  
It's a crazy world out there. Let's hope our prayers are in good  
hands tonight

Oh, I love when you do that hocus pocus to me  
The way that you look, you got the power to heal  
You give me that look, it's almost unreal... it's almost unreal
