

April Clouds

Roxette

Stay forever
Stay a little while
I'm pleased to have seen you
I'm pleased to have seen your smile

April clouds shaped like shells
April rain should fall somewhere else
I need the sun a soft caress
I wish you the best

It's been a good time
The best there ever was for me
I miss your body
I miss your company

There was a man who looked like you
There were some nights
He passed through the room
I closed my eyes and i felt blessed
I wish you the best

Wherever you go whatever you do
I pray for peace in your heart
May your wishes come true

April clouds shaped like shells
April rain should fall somewhere else
I suggest it takes a rest
Oh i wish you the best
I wish you the best
