

Crash! Boom! Bang!

Roxette

1. Papa told me to stay out of trouble,
When you find your man, make sure he's for real.
And now the nothing really last forever,
I sleep with discos, I were that want hear,
They want hear ...

R: Cause every time I seem to fall in love -
I'll find the hope then I'm not to hit the wall -
That's the corn, that's the game,
and the pain stay's the same ...

2. I'm walking down this empty road to nowhere,
I pass by the houses, and lost I wants knew.
And mama told me not to mess with sorrow,
But I always did a lord I still do.
I'm still breaking the rules.

(I kick it up, I kick it down)

R:

I still feel the heat,
and the taste of the kissing.
Shadows by rain,
and the wide holy wall.

I kick it up,
I kick it down)

Ooh, and every time I seem to fall in love -
I'll find the roses stayed on the floor -
That's the corn, that's the game,
and the pain stay's the same ...
That's my real little name,
and it's always been the same ...
Oh yeah, oh yeah,
and it's always been the same.

... and it's always
been the same.
