

# Crazy About You

Roxette

Oooooooooooooooooo...

I'm crazy about you  
(I'll give you all my love)  
Yes, I'm crazy about you  
(Night and day, day and night  
I'll be your heart's salvation)

Hey baby, let's stay together,  
Let's make it now and forever,  
I want to show it and shout it  
And tell the whole world about it.

I thought it never could happen,  
I thought you never would see me.  
You run a lovin' locomotive,  
You make my needs very primitive.

The more I get, the more I want from you, of your affection.  
When you're around, I'm in control, I feel a complete connection.

R1: Hello, hello,  
I'm so crazy about you, you know... baby.  
Hello, hello, hello,  
Yes, I'm crazy, so crazy about you.

C'mon, close your eyes, honey, trust me!  
I want to enjoy your body,  
I want to take you much higher  
And play the game of desire.

Well I can't hide,  
I'm getting hungry for a bite.  
I'm blinded by this obsession,  
I keep dancing like your possession.

I'll wrap my legs all around you, I'll show you total devotion.  
No need to talk, Love will speak to you with sweet emotions.

R1: Hello, hello...

R1: Hello, hello...

R2: Hello, hello,  
I'm so crazy about you, you know... baby.  
Hello, hello, hello,  
Yes, I'm crazy, so crazy about you.

Yes, I'm crazy, so crazy about you.  
Yeah, I'm crazy about you...

Oooooooooooooooooo...  
I'm crazy about you.  
Yes, I'm crazy about you.  
I'm crazy about you  
Yes, I'm crazy about you...
