

It Must Have Been Love

Roxette

*: It must have been love, but is over now...

1. Lay a whisper on my pillow,
leave a winter on the ground
I wake up lonely, there's air of silence
in the bedroom and all around
Touch me now, I close my eyes and dream away

R1: It must have been love, but is over now
It must have been good, but I lost it somehow
It must have been love, but is over now
From the moment we touched till the time had run out

2. Make believing, we're together
that I'm sheltered by your heart
But in and outside I've turned to water
like a teardrop in your palm
And it's a hard, winter's day, I dream away

R2: It must have been love, but is over now
It was all that I wanted, now I'm living without
It must have been love, but is over now
It's where the water flows, it's where the wind blows

R1 mod: It must have been love, but is over now
It must have been good, but I lost it somehow
It must have been love, but is over now
From the moment we touched till the time had run out.

R2 mod: It must have been love, but is over now
It was all that I wanted, now I'm living without
It must have been love, but is over now
It's where the water flows, it's where the wind blows.
