

Listen to Your Heart

Roxette

1. I know there's something in the wake of your smile
I get a notion from the look in your eyes, yea
You've built a love but that love falls apart
Your little piece of heaven turns too dark

R: Listen to your heart when he's calling for you
Listen to your heart there's nothing else you can do
I don't know where you're going
And I don't know why
But listen to your heart before you tell him goodbye

2. Sometimes you wonder if this fight is worthwhile
The precious moments are all lost in the tide, yea
They're swept away and nothing is what it seems
The feeling of belonging to your dreams

R:

3. And there are voices that want to be heard
So much to mention but you can't find the words
The scent of magic, the beauty that's been
When love was wilder than the wind

R:
