

Little Girl

Roxette

Once upon a time there was a little girl
Once she was mine
In my heart the only one
I wonder where you are
I know you're somewhere in me
I can see your smile when I close, close my eyes

Oh little girl
Where did you go, little girl
I miss you so
Oh, I remember when she was mine
I remember when she was mine

Once upon a time there was a little voice
Singing loud and clear
In my heart the only one
Once upon a time there were so many dreams
Once they were mine
Oh little girl, they're with, oh they're with you now

Oh little girl
Where did you go, little girl
I miss you so
I remember when she was mine
Oh, I remember when she was mine

Oh girl, little girl
Where did you go, little girl
I miss you so
Oh, I remember when she was mine
Oh little girl
Where did you go, little girl
I miss you so
Oh, I remember when she was mine
My little girl
I remember when she was mine
Oh, I remember when she was mine
