

# Milk and Toast and Honey

Roxette

Milk and toast and honey make it sunny on a rainy Saturday, he-  
he-hey  
Milk and toast, some coffee take the stuffiness out of days you  
hate, you really hate  
Slow morning news pass me by  
I try not to analyze but didn't he blow my mind this time  
Didn't he blow my mind?

(Here he comes)  
To bring a little lovin', honey  
To take away the hurt inside  
Is everything that matters to me  
Is everything I want in life

Milk and toast and honey  
Ain't it funny how things sometimes look so clear and feel so n  
ear  
The dreams I dream, my favourite wishful thinkin'  
Oh, he's bookmarked everywhere, everywhere  
True love might fall from the sky  
You never know what to find but didn't he blow my mind this tim  
e  
Didn't he blow my mind?

(Here he comes)  
To bring a little lovin', honey  
To take away the pain inside  
Is everything that matters to me  
Is everything I want from life

Oh lay a little lovin', honey  
To feel you're gettin' close to me  
Is everything that matters to me  
Is everywhere I wanna be
