

One wish

Roxette

One wish
One wish

If you had one wish what would it be,
If you had one wish would it be about me
Just one wish could it be about me
You might make a wish for money and peace
You make a wish for cosmic relife
Shake by the trees, green summer leafs

Well I was thinkin' that he he hey
Maybe one day, a wish of you and me
He he hey
Maybe one day, a wish of you and me

Please don't tell me what I need to know
Please don't offer what I should know
I don't want to know, what does it show.
If you had one wish, what would it be
If you had one wish, would it be about me
Just one wish could it be about me

Cos I was thinkin' that he he hey
Maybe one day, a wish of you and me
Yeah, he he hey
Maybe one day, a wish of you and me

Way been high, down below
Shine a light, down here below
Ohh, one wish, one wish
One wish one wish

He he hey maybe one day a wish of you and me (2x)

He he hey maybe one day a wish of you and me (2x)

One wish, maybe one day, one wish, maybe one day
