

Queen Of Rain

Roxette

1. In that big big house there are fifty doors and one of them leads to
your heart.

In the time of spring I passed your gate and tried to make a start.
All I knew was the scent of sea and dew but I've been in
love before, how about you?

R1: There's a time for the good in life, a time to kill the pain in
life, dream about the sun you queen of rain.

2. In that big old house there are fifty beds and one of them leads to
your soul.

It's a bed of fear, a bed of threats, regrets and sheets so cold.
All I knew your eyes so velvet blue, I've been in love
before, how about you?

R1: There's a time for the good in life...

R2: It's time to place your bets in life, I've played the loser's game
of life, dream about the sun you queen of rain.

*: Time went by as I wrote your name in the sky, fly fly
away, bye bye.

R2: It's time to place your bets in life...
dream about the sun you queen of rain,
dream about the sun you queen of rain,
dream about the sun you queen of rain.
