

Run To You

Roxette

1. Baby, sometimes I feel like dying
Driving while I'm closing my eyes
Moving in and out of hiding
Trying to catch some truth in my life
watching your stars and your moonlight
come tumbling down from the sky...
Take it now.

R: I'm gonna run to you
I'm gonna come to you
I wanna find you
In everything that I do
I'm gonna run to you
I'm gonna count on you
I'm gonna follow
Baby what else can I do?

2. Sunday morning my town is sleeping,
lying all alone in my bed.
There's not a sound, I can't help but listening,
wishing I was somewhere else instead
but sometimes they're too hard to handle,
those voices inside my head...
Listen now.

R: I'm gonna run to you
I'm gonna come to you
I wanna find you
In everything that I do
I'm gonna run to you
I'm gonna count on you
I'm gonna follow
Baby what else can I do?

Take a walk inside my dream: a church, a lonely road.
All the people come and go and come and go.

Do it now!
