

# Run To You

Roxette

1. Baby, sometimes I feel like dying  
Driving while I'm closing my eyes  
Moving in and out of hiding  
Trying to catch some truth in my life  
watching your stars and your moonlight  
come tumbling down from the sky...  
Take it now.

R: I'm gonna run to you  
I'm gonna come to you  
I wanna find you  
In everything that I do  
I'm gonna run to you  
I'm gonna count on you  
I'm gonna follow  
Baby what else can I do?

2. Sunday morning my town is sleeping,  
lying all alone in my bed.  
There's not a sound, I can't help but listening,  
wishing I was somewhere else instead  
but sometimes they're too hard to handle,  
those voices inside my head...  
Listen now.

R: I'm gonna run to you  
I'm gonna come to you  
I wanna find you  
In everything that I do  
I'm gonna run to you  
I'm gonna count on you  
I'm gonna follow  
Baby what else can I do?

Take a walk inside my dream: a church, a lonely road.  
All the people come and go and come and go.

Do it now!
