

Things Will Never Be The Same

Roxette

1. Lay it down, pull my heart to the ground,
time's getting cold now the leaves all turn hard and blue.

And I know when I gaze to the sun, no place to hide, I got
no where to run from you, away from you.

*: Hold me now, girl, I don't know when,
when we will ever meet again.
That was then, baby, this is now,
I try to get over you

R: Losing you... things will never be the same.
Can you hear me call your name?
If we changed it back again.
Things would never be... in your hand

2. Oh babe, I don't understand,
you've got the eyes of a child
but you hurt like a man always do, always do

*: Touch me now, girl, I don't know when,
when we will ever meet again.
That was then, baby, this is now,
time won't get over you.

R: Losing you...
...
Things would never be... the same
