

Turn To Me

Roxette

Turn to me - when your heart breaks away
Turn to me - don't turn me away
When everything's sad and down
When you're looking for somewhere to run

Why don't you turn to me?
Turn to me
Why don't you turn to me?
Turn to me
Turn to me - when the moon gets to go
Turn to me - when the story's been told
When everything's dim and grey
And you're hitting a rainbow way

Why don't you turn to me?
Turn to me
Why don't you turn to me?
Turn to me

Now that Christmas is here
I'll shatter your fears
And if you want the secrets of mine
Turn to me and read these lonely, lonely eyes

Why don't you?
Why don't you turn to me?
Turn to me!
