Watercolours in the Rain

Going through the motions Ending up Nowhere at all Can't see the sun on my wall Going through emotions Ending up On a frozen morning With a heart not even broken Seems I've been running All my life All my life Seems I've been running All my life All my life All my life Like watercolours in the rain Find a place to settle down Get a job In a city nearby And watch the trains Roll on by I'll find the falling star I'll fall In love With the eyes of a dreamer And a dream worth believing Seems I've been running All my life All my life Seems I've been running All my life All my life All my life Like watercolours in the rain
