

# Amazona

Roxy Music

Amazona  
Is a zone where  
There is no doubt  
No more fall-out

Why don't you step  
Through the mirror and see?  
From Arizona to El Dorado  
Sure is a mighty long way

Hey little girl  
Is something wrong?  
I know it's hard  
For you to get along

The bell-tower rings  
It tolls a hollow sound  
But your castles in Spain  
Still may be realized

And longings more profound  
You see every cloud has a silver lining  
And sometimes paradise  
Around your corner lies

In Amazona everything is nice  
Little one come take my hand?  
I'll try to help you there  
I'll take you there

Amazona's  
Getting closer  
Oh, soon you'll see  
Journey's over  
We're almost there
