

# Can't Let Go

Roxy Music

Well, I rush out blazin'  
My pulse is racin'  
As the rain streams down my face

There's no turning back now  
To fight with fate  
Outnumbered an' out of place

They said, "Go west young man, that's best  
It's there you'll feel no pain"  
Bel-Air's okay if you dig the grave  
But I want to live again

Can't let go  
There's a madness in my soul tonight  
Can't let go  
Must stop ridin' like the storm

Can't let go  
Will I run out of control tonight?  
Can't let go  
Until every trace is gone

It's a winding road from Cuesta way  
Down sunset to the beach  
Though Canoga Park is a straight safe drive  
It's too far outta reach

But now the headlights are flashin' by so fast  
All directions seems the same  
And the windscreen wipers keep a beat repeatin'  
You can't let go again

What's in a name on the street tonight  
I'm only a face in the crowd  
I'm all in the dark and afraid tonight  
There's nowhere to run or to hide

But I can't let go, no, no, no

Sometimes the world outside'll take you in  
With just a smile  
And you're so blinded with desire

A hundred sleepless nights have left me  
Wasted and so cold  
But I can take it I'm hangin' on

Can't let go  
There's a madness in my soul tonight  
Can't let go  
Must stop ridin' it like the storm

Can't let go  
Will I run out of control tonight?  
Can't let go  
Until every trace is gone

Can't let go  
Can't let go  
Can't let go  
Can't let go

Can't let go  
Can't let go  
Can't let go  
Can't let go  
Can't let go
