

# Don't Stop the Dance

**Roxy Music**

Mama says truth is all that matters  
Lyin' n' deceiving is a sin  
Drifting through a world that's torn and tattered

Every thought I have don't mean a thing  
Don't stop, don't stop the dance  
No more music, don't stop the dance

Mama says love is all that matters  
Beauty should be deeper than the skin  
Living for the moment lips and lashes

Will I ever find my way again  
Don't stop, don't stop the dance  
No more music, don't stop the dance

Don't stop, don't stop the dance  
Don't stop, don't stop the dance

Mama says only stormy weather  
Don't know why there's no sun in the sky  
Footsteps in the dark come together  
Got to keep on movin' or I'll die

Don't stop, don't stop the dance  
No more music, don't stop the dance  
Don't stop, don't stop the dance  
No more music, don't stop the dance  
Don't stop, don't stop the dance
