

# Grey Lagoons

**Roxy Music**

Blue sunsets and grey lagoons  
Silver starfish with honeymoons  
All these and more to choose  
If you

Satin teardrops on velvet lights  
Morning sickness on Friday nights  
Heaven knows what others I might bring  
To you

Broken partings making strange goodbyes  
Hopeless cases with fake alibis  
Even hoping we'll be there to share  
With you

Blue suns and grey lagoons  
Grey lagoons  
Grey lagoons
